

# Coronavirus Update

24 March 2020

## TRAVEL GUIDANCE

**The Australian Government has advised all Australians not to travel overseas at this time.**

**From Friday 20 March, only residents and citizens of Australia will be permitted to enter Australia. Everyone arriving will have to self-isolate for 14 days.**

**Tasmania, Queensland and the Northern Territory have also closed their borders to non-residents. All arrivals will need to self-isolate for 14 days.**

**Boral also continues its suspension of international travel for business purposes until further notice.**

**If you have returned to Australia from any overseas travel (personal or business) since Friday, 13 March 2020 or you believe you have been in close contact with a person who has the virus:**

- **Remain at home for 14 days** after the date you left the overseas country  
(do not return to work until 14 days have elapsed)

### **If you develop symptoms**

- Do not come to work
- Notify your Manager/Supervisor that you have symptoms
