

# Global Reporting Initiative (GRI) content index

This GRI content index outlines where we report data and/or information that addresses GRI aspects and indicators either fully or in part.

As outlined on page 26 of our 2020 Boral Review & Sustainability Report, we undertake a biennial sustainability materiality assessment and assess sustainability issues with reference to the GRI definition of materiality.

The table below refers to the following reports and website content:

- 2020 Annual Report (AR)
- 2020 Boral Review & Sustainability Report (BR)
- 2020 Joint Modern Slavery Statement (MSS)
- Sustainability data at [boral.com/sustainability](https://boral.com/sustainability) (SD)
- Other information at [boral.com](https://boral.com) (W).
